Field of the Invention The present invention relates to an optical film having a structure in which a material layer of an optically transparent film is formed on a support film made of a resin. The present invention also relates to a display device including the optical film. 2. Description of the Related Art In recent years, in the field of display devices, in order to achieve weight reduction and cost reduction, thin display devices with low power consumption have been desired. Furthermore, high-speed display devices have been desired. In order to realize high-speed display, a display device having a long response time is required. As a material for realizing a display device with a long response time, for example, an inorganic material such as an amorphous oxide has been known. As the amorphous oxide, for example, a liquid crystal display device including a liquid crystal layer having a thickness of several  $\mu\text{m}$  has been known (for example, see Japanese Patent No. 3943578).Q: Help me understand low voltage alarm circuit Help me understand this low voltage alarm circuit. CarrotWine has crafted a pack with 17 BGMs focused on battles, with high energy tunes to keep you on your toes during a fight. 4 different songs for normal battles give you options to keep battles from feeling stale, with one focusing more on electric riffs and another perfect for facing off against fantasy creatures with cheerful flute playing. For your deadly boss battles, make sure to pick the tunes that stress the danger with racing melodies and dramatic beats. This pack also has a few songs for those rare moments your heroes get to relax in a town's tavern, with slow piano chords perfect for the end of the day or chipper strings to celebrate making it back to town in one piece! Also included are 14 MEs to make sure even the ends of your battles sound awesome. Use one of the upbeat fanfares when you level up or win the battle, or let your players know just how bad their loss was with slow and melancholic MEs. ## **What's new in RPG Maker MZ - Muse Fantasia Battle Music Vol.1:**

**RPG Maker MZ - Muse Fantasia Battle Music Vol.1**  
This is a pack of 3 different set of mind-blowing Battle Music for RPG Maker MZ that I have used for my fan-fiction games. All 3 albums are Beated by the same beats to create a Unique Composition for you. Each of the 3 Battle Music albums have the same beats which give great depth to the songs. It's very useful to add variations on those songs to create your own Battle Music theme. The only difference (And that makes each Battle Music different) is The BPM is the same, the Reverb and Master volume have been edited to reach the perfect level of quality. This is a Good companion to an angry a Mengele for your RPG Maker MZ Battle Music Soundtrack.
