FIFA is the world's leading videogame on FIFA for Xbox One, PS4, PC and Nintendo Switch. Featuring the official players and stadia of the UEFA Champions League, UEFA Europa League, UEFA Supercup and UEFA International Champions Cup, FIFA is the only videogame that truly captures what makes the top leagues on the planet special and dynamic. Spartan Upgrades: Today's Gameplay With Spartans now in the Tactic Pass system, they use a Playbook of skills as they move into position to make a tackle or intercept a pass. This allows for better control of the match and tactical depth. All Spartan players have a playstyle that is relevant to their role, from full-backs and centre-backs to strikers and goalkeepers. Tactical Styles: Goalkeepers, Defenders and Attacking Midfielders The Tactical Styles system gives Goalkeepers more influence over the match, Defender personalise their styles so they can adapt to the shape of the game and Attackers can be set in Attack, Dictate Play or Blitzen through opponents. The New Tactic Pass: Real Player Movement FIFA for Xbox One, PS4 and PC brings players closer to the game with Real Player Movement. This system makes players move on the pitch in the same way they move in real life, with the attacking and defensive style of play recognisable to the real-life game. FIFA Ultimate Team: Ultimate Treble Ultimate Team: Ultimate Treble is a new loyalty club that will see players earn card packs to use in FUT. Each card pack consists of a single premium player, as well as two players from a particular position. Each pack, once bought, can only be used once per account. The Champions of the Era: The Champions of the Era will take players through a series of historic matches from different eras of the game's history. Successful completion of these matches will unlock rewards. The New Coaching Career Mode: For the first time, players can challenge their footballing skills at the Academy level, with the opening of the Coaching Career. This mode will let players create their own Academy teams with real players and create a career at the

club of their dreams, taking their team into the UEFA Champions League and more. The new Coaching Career: The new Coaching Career Mode puts you in full control of your career from the amateur
